

What is TWAM?

Tools with a Mission is a Christian charity that collects unwanted usable tools, refurbishes them, sorts them into trade tool kits and sends them to the developing world for livelihood creation.

TWAM sends around 16 containers filled with a total of around 225 tonnes of tools every year. These tools range from sewing machines and knitting machines to carpentry tools and mechanics' tools.

Apart from keeping the old tools out of landfill, the newly refurbished tools give the recipients the means to generate their own income, create their own businesses and build a mindset of independence, not reliance.

Thankyou to all those who helped with the collection of tools for TWAM, in particular to Doug who organised the volunteers and the tools.

EBA Week of Prayer - I hope that you were able to use the material that was circulated to you. If you feel that God spoke to you, or gave you a word to share, please let either Paul, one of the Elders or a member of the Leadership Team know.
