

Prayer Focus June 2024

WINDMILL HOUSE

Windmill House Care Home is a residential care and dementia care home in Wymondham and for several years, members of Wymondham Baptist Church have been visiting the home to minister to the residents through regular times of worship.

Please pray for those that visit the home, that they may be able to bring the love of Jesus to all those that they meet - both residents and staff.

Pray for the residents, that they may know God's love and peace, and that their daily lives are filled with a sense of security and wellbeing.

Pray for the staff, who face many challenges as they care for residents with a wide variety of physical, mental and emotional needs. Give them hearts of compassion and love for the residents, as well as the patience, skill and commitment that the role demands.
