If you are an on-line shopper, please consider signing up to **easyfundraising** or **giveasyoulive** and support Wymondham Baptist Church at no extra cost to you - this includes booking a holiday and doing your weekly grocery shopping - there are hundreds of retailers that will donate a percentage of your shop to WBC. All these donations help to raise funds for the building project.

If you are interested in church membership, please ask for a Membership Pack from the office or speak to either Vera or a member of the Leadership Team.

The ECO group are planning to produce an ECO calendar for 2026. If you have any photographs or ECO tips that you think might be suitable to be included in the calendar, please email them to the Office or to Nicki. Thank you.

If you would like to give to God's work here at WBC, there is a wooden offering box at the rear of the church and a digital offering plate where you can use your debit or credit card. If you would like more information about regular giving please ask Cathy or email the Office.

CHURCH MEMBERS - Please make every effort to attend our next Church Meeting on July 17th at 7.30p.m. Because of the building work it is necessary to move the September church meeting from Thursday 25th September to after our worship service on Sunday, 28th September, please note this in your diary and plan to attend.

CLEARING OUT - URGENT - Over the coming weeks, prior to the building work starting we have a lot of clearing out to do. If you lead a group please ensure that any equipment that you may need to access during the build is identified so that it can be stored in a place that you can access. Any items left will either be stored in areas that we will not be able to get into or will be disposed of. Your help is needed with this NOW. Thank you.

WORK PARTY - Help is needed this **SATURDAY** - July 5th to continue the work at the front of the church. We also need your help during the week of 21st to 26th July to clear the rooms that will be demolished in the build and to make sure all equipment not needed is stored securely. Please let Keith or Paul know if you are able to offer any time. Thank you.
